Hi Pam,

Can you please incorporate some changes to the Boys and Girls Club allocation in this draft?

Current language:

(z) Grants to the Boys and Girls Clubs of America. For grants to the Wisconsin Chapter of the Boys and Girls Clubs of America to fund programs that improve social, academic, and employment skills of youth who are eligible to receive temporary assistance for needy families under 42 USC 601 et seq., \$350,000 in each fiscal year.

Revisions:

- 1) Add \$1.15 million for a total of \$1.5 million in each year.
- 2) Specify that the programming will focus on study habits, intensive tutoring in math and English, and exposure to career options and role models.
- 3) Specify that the additional funding cannot displace any current funding that is being used.

Thanks,
k

Hi Pam,

Thanks, that sounds good. I'm good with having that in whichever draft makes more sense to you, and I'm also good with you holding on to it. I'm still waiting to hear what the final numbers will be for it.

Hi, Katie:

I have done numbers 1 and 3. The allocation for the Transform Milwaukee Jobs Program is in LRB-0090. If you'd prefer to have it in this draft, I would have to redraft LRB-0090 to take it out of there. Do you want me to? I was planning to just hang on to this draft for a while, since there is always more to add to these allocations. OK?

HEALTH AND HUMAN SERVICES

PUBLIC ASSISTANCE

Under current law, DCF allocates specific amounts of federal moneys in each fiscal year, including Child Care Development Funds (CCDF) and moneys received under the Temporary Assistance for Needy Families (TANF) block grant program, for various public assistance programs and for child care-related purposes, including its day care licensing activities. This bill continues, increases, decreases, and modifies those allocations.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

Is there an exception here?

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2

SECTION 1. 49.175 (1) (b) of the statutes is amended to read:

3

49.175 (1) (b) Wisconsin Works administration agency contacts. For

4

administration of Wisconsin Works performed under contracts with Wisconsin

3 **SECTION 2.** 49.175 (1) (f) of the statutes is repealed.

4 **SECTION 3.** 49.175 (1) (t) of the statutes is amended to read:

5 49.175 (1) (t) *Safety and out-of-home placement services.* For services provided
 6 in counties having a population of 500,000 or more to ensure the safety of children
 7 who the department determines may remain at home if appropriate services are
 8 provided, and for ongoing services provided in those counties to families with
 9 children placed in out-of-home care, \$6,350,300 in each fiscal year.

10 **SECTION 4.** 49.175 (1) (v) of the statutes is repealed.

11 **SECTION 5.** 49.175 (1) (z) of the statutes is amended to read:

12 49.175 (1) (z) *Grants to the Boys and Girls Clubs of America.* For grants to the
 13 Wisconsin Chapter of the Boys and Girls Clubs of America to fund programs that
 14 improve social, academic, and employment skills of youth who are eligible to receive
 15 temporary assistance for needy families under 42 USC 601 et seq., \$350,000 focusing
 16 on study habits, intensive tutoring in math and English, and exposure to career
 17 options and role models, \$1,500,000 in each fiscal year.

History: 1997 a. 27, 105, 236, 237, 252, 318; 1999 a. 9; 2001 a. 16, 104, 109; 2003 a. 33, 321, 327; 2005 a. 25, 254; 2007 a. 5, 20, 226; 2009 a. 2, 28; 2011 a. 10, 13, 32.

****NOTE: For this allocation, I'm not sure what you mean by the additional funding not displacing any current funding. Do you want two allocations, one that is the same as under current law and the other that allocates \$1,150,000 per fiscal year for programs that focus on the new purposes? I don't think there is any way to isolate the "additional funding," because it is hidden in the new overall total, and I don't know what is meant by the additional funding not displacing current funding, unless that means that it can't be used for the current purposes. Note that, under s. 49.175 (2) (a), any of the allocated funds may be reallocated for any of the purposes under sub. (1). Is that a problem? Does that need to be amended?

Hi Pam, to address your note on this one:

We are looking to limit it so that the Boys and Girls Club cannot spend the additional money on programs that they already are funding with other sources (so not about the current \$350k which will be rolled into this overall program, but about other programs that they are funding from other sources) so maybe language something like: None of the grants under this section may be used to fund programs that are currently being funded by sources other than the TANF block grant.

I don't think the standard reallocation provisions are a problem here since they applied to the previous \$350k too. I'll give you a call to discuss.

Thanks,

k

Basically, yes, as long as she knows that you mean "allocation" for the new W-2 contracts, not appropriation. However, (I'm not sure I covered this) you would want to amend (md) as well as citing it in the program statute at s.49.147 (6) (c). They'd probably make that connection.

Hi Fern, on the ncp draft, can you please change it so the w-2 agency determines the stipend amount instead of DCF. Also, can you delete the 12-month limit on services but instead limit the ncp to 1 TEMP job placement.

Fern or Pam (not sure whose draft this would fall under), would you please expand the new w-2 contracts appropriation to add a line that DCF can spend funds under that appropriation on Job Access Loans, and amend the Job Access Loans statute at 49.147(6)c to allow ncps to use the funds and to allow them to be funded from 2md.

Thanks,

PUBLIC ASSISTANCE

Under current law, DCF allocates specific amounts of federal moneys in each fiscal year, including Child Care Development Funds and moneys received under the Temporary Assistance for Needy Families block grant program, for various public assistance programs and for child care-related purposes, including its day care licensing activities. This bill continues, increases, decreases, and modifies those allocations.

Fern's LRB-0963[✓] allows noncustodial parent to obtain job access loans[✓].

My LRB-0903[✓] adds the appropriation under s. 20.437 (2) (md)[✓] to s. 49.147 (6) (c)[✓] as a source of funding for job access loans, and, as we discussed, the language of current law s. 20.437 (2) (md) appears to be broad enough for that purpose. But let me know if DCF does not think the language is broad enough.

This draft adds job access loans to the allocation in s. 49.175 (1) (b)[✓] for W-2 agency contracts.

Is my addition to the paragraph title okay?
